

Creating a Database

```
mysql> create schema testdb;  
Query OK, 1 row affected (0.00 sec)  
  
mysql> create database testdb2;  
Query OK, 1 row affected (0.01 sec)
```

Altering a Database.

```
mysql> ALTER DATABASE testdb2 READ ONLY = 1;  
Query OK, 1 row affected (0.01 sec)
```

Deleting a Database.

```
mysql> drop database testdb;  
Query OK, 0 rows affected (0.02 sec)
```
